

Since 1973

Lazer Tow Service is a company dedicated to excellence in everything we do. Whether it is towing passenger vehicles, motorcycles, trucks, tractor-trailers, motor homes, motor coaches or heavy construction equipment, we make the extra effort to meet or exceed your expectations.

We have over 40 pieces of equipment that are the latest technology in the tow industry to ensure we can handle all of your towing and equipment hauling needs. Our drivers are trained, experienced, uniformed, and USDOT certified.

The dispatch office is fully computerized and staffed 24 hours per day, including holidays. We also offer a powerful, yet easy to use, web-based tool called 'TOPS Link' for our commercial customers. By browsing to a secure web site, customers can request service, check status of calls in progress, inquire about vehicles in inventory and more. Customers choosing to use this service must contact us to obtain a user ID and password.

- Computerized, Live Dispatch
